

ANOTHER OUTRAGE-- INNOCENT NEGROES

Dynamited and Killed at
Nortonville — Rewards
Aggregating \$900
Offered

JUDGE GORDON DE- FIES NIGHT RIDERS

A special from Madisonville to
the Courier Journal dated Oct.
6th, says:

"There are not enough 'possum
hunters' or 'night riders' this
side of hell to prevent justice
being meted out to the prepetra-
tors of this outrage if the guilty
parties are indicted and brought
before this court" declared Judge
J. E. Gordon in delivering special
instructions to the grand jury
here this morning, following the
dynamiting of a negro cabin at
Nortonville, in which one was
killed and three others injured.

According to information here
regarding the latest outrage in
Hopkins county, which occurred
at Nortonville this morning at 2
o'clock "regulators" about ten
days ago had sent a stick of dy-
namite, some cartridges and mat-
ches to Charlie Day warning him
to leave the county. It was
claimed the negro had been op-
erating a disorderly house and
boot-legging joint. Day moved
out of the house late Monday af-
ternoon and a negro family nam-
ed Oathron moved in Tuesday af-
ternoon. The place was dynam-
ited this morning. Will Cath-
ron, aged about 20, being killed
and Will Purdue being badly in-
jured. One room of the resi-
dence was destroyed.

Sheriff Logan was sent for, and
securing bloodhounds, attempted
to trail the parties, the dogs fol-
lowing the trail to where the par-
ties mounted horses, it being ev-
ident that several were in the
crowd. The Hopkins County
court has authorized a reward of
\$200 for the arrest of the parties,
and the Government will also be
asked to offer a similar amount.

Circuit Court has been in ses-
sion for ten days. As soon as
court convened this morning
Judge Gordon called in the grand
jury and delivered special in-
structions to them regarding the
crime. He insisted that every-
thing he dropped and that a
thorough investigation of the
tragedy he made, assuring the
jury that if it was necessary to
call a special term he would glad-
ly do so, and that steps must be
made to put down this lawless-
ness.

"Exhaust every effort through-
out and, if we can't reach
them then, there's a militia, and
if the militia fails, I am ready to
lead a righteous mob to suppress
this lawlessness," he declared.
The negro killed was employed
at a coal mine at Nortonville.
The negro the "regulators" were
after has left the county, it is
announced.

Later, a reward of \$500 has
since been offered by the State
and the Norton Coal Mining Co.
have also offered a reward of
\$200, thus in addition to the \$200
offered by the county makes an
aggregate of \$900. The negro,
Will Purdue, who was badly in-
jured, has been sent to his home
in Clarksville, Tenn. His condi-
tion is still serious and his re-
covery doubtful.

EARLINGTON LADIES'

Organize a School Im-
provement League

A large and enthusiastic rep-
resentation of Earlington ladies
met at the school building Tues-
day afternoon at the invitation
of the faculty and organized a
league. The object of this or-
ganization is to promote a deeper
interest in the educational
advantages offered, a closer re-
lationship between parent and
teacher, the equipping of a mod-
ern playground, and other mat-
ters of importance concerning
the welfare of the child.

Prof. O. E. Dudley, after a few
words of welcome and greeting,
outlined the needs and plans and
the mothers and friends of the
school were hearty in the re-
sponse. Officers were elected, a
goodly number enrolled as char-
ter members and another meeting
called for Tuesday afternoon,
Oct. 12, at the school building.
At that time a name will be
chosen, committees appointed,
and it is believed the mem-
bership will be greatly increased.
Every mother and all who have
the welfare of the children at
heart are urged to be present
and enlist in the work.

The following ladies have al-
ready enrolled, the first names
being the officers:

BOOSTERS BOOST

At City Hall Last Evening
Amid Much Enthusiasm

HAVE 141 MEM- BERS TO DATE

The Earlington Boosters Club
of Earlington met last evening at
the City Hall and were called to
order by the President, F. B.
Arnold, who stated the purposes
of the organization. The Sec-
retary, H. D. Coward, read the
list of names of members, which
amounted to 126. Dr. O. B. John-
son and Prof. O. E. Dudley turned
in more names, making the
total enrollment to date 141.
The minutes of the previous
meeting read and approved. An
amendment to the Constitution
providing for no endorsement of
any political or sectarian mea-
sure by the Club as such, was car-
ried. The purpose of this was
to keep the Club free of political
and sectarian entanglements and
to keep it intact for the purpose
of its organization, the upbuild-
ing of all the interests of the
town by all the citizens. The
following Committee on Civic
Improvement was appointed by
the Chair: Ernest Newton,
Chairman; Oland Long, Prof. O.
E. Dudley, J. W. Lester and G.
Y. Telford. Dr. O. B. Johnson
then read the Constitution and
By Laws for the benefit of the
new members. Interesting talks
were made by F. B. Arnold,
Mayor W. E. Rash and Henry D.
Coward. The latter speaker called
attention to the fact that the
removal of the dispatchers and
car repairers means an annual
loss to the town of the sale of
3,840 tons of coal and a pay roll
of \$19,200. Dr. Johnson made a
motion to secure an inexpensive
hutton for the benefit of the
members. Motion carried. The
secretary and treasurer were ap-
pointed as this committee. H.
D. Coward donated his services
as Secretary for his term of office
to the Club. Prof. Dudley made
an appeal to make the mem-
bership 200 by the next meeting
night, which is Thursday night,
Oct. 21. He also spoke of the
movement started at the Moth-
er's Meeting at the school build-
ing the other day looking to the
organization of the women of the
town as an auxiliary to the
Boosters' Club. Dr. Johnson
made a motion to have the Chair
appoint a committee to draft
petitions to the President, General
Manager and Chairman of the
Board of Directors of the L. & N.
Railroad to have the Dispatchers'
office remain at Earlington. Mo-
tion carried. The Chair appoint-
ed to the following committee:
Dr. O. B. Johnson, Chairman;
O. W. Webb and M. Bohan. A
motion was made to invite Pres.
F. F. Wheeler, of the Kentucky
Midland, in regard to running a
branch line of the I. C. Railroad,
to attend a meeting at this place,
and the motion was carried. Prof.
Dudley made a motion that the
President and Secretary be ap-
pointed, a committee to pre-
pare a summary of the induce-
ments of the town for the bene-
fit of outside capital, to be used
on the stationery and prospec-
tuses of the club. Motion car-
ried. Dr. Johnson made a mo-
tion that the Secretary be em-
powered to have stationery print-
ed. Motion carried. Interesting
talks were made by Dave Smith,
John Rule and Sam Barnard.
Much enthusiasm was manifested
and the prospects are very bright
for much good work for the fu-
ture.

TAKE "CASCARETS" IF HEADACHY, BILIOUS, AND CONSTIPATED

Best for liver and bowels,
bad breath, bad colds,
sour stomachs

Get a 10-cent box.

Sick headache, biliousness, se-
coated tongue, head and nose
clogged up with a cold—always
trace this to torpid liver; delay-
ed, fermenting food in the bow-
els or sour, gassy stomach.

Poisonous matter clogged in
the intestines, instead of being
cast out of the system is re-ab-
sorbed into the blood. When
this poison reaches the delicate
brain tissue it causes congestion
and that dull, throbbing, sicken-
ing headache.

Cascarets immediately cleanse
the stomach, remove the sour,
undigested food and foul gases,
take the excess bile from the liver
and carry out all the consti-
pated waste matter and poisons
in the bowels.

A Cascaret tonight will surely
straighten you out by morning.
They work while you sleep—a 10
cent box from your druggist
means your head clear, stomach
sweet and your liver and bowels
regular for months.

RESOLUTION

Adopted at October Meeting
of Executive Committee
of Kentucky

MINE OWNERS ASSOCIATION

In connection with certain rad-
ical advances in freight rates al-
ready determined upon by a
number of railroads serving com-
petitive coal fields in West Vir-
ginia and elsewhere, it is pro-
posed that railroads serving Ken-
tucky's coal fields, similarly ad-
vance their rates, and thereby
place an additional burden on
practically every ton of coal mov-
ing from Kentucky to markets
north of the Ohio River. Mean-
while rates on coal mined in cer-
tain northern coal fields are not
to be advanced.

The coal industry of Kentucky
during the past several years,
has increased, until it is first
among the industries of the State
in point of number of people em-
ployed, and second in point of
the value of its annual output.
Its recent growth has been al-
most altogether due to securing
new markets in the territory to
which this proposed rate advance
would apply. The exaction by
Kentucky railroads and their
connections of the advanced
rates in view, would place a
handicap on the further exten-
sion of these Northern markets,
and even threaten the retention
of those that have been won af-
ter long struggles against many
difficulties.

The Kentucky Mine Owners
Association therefore wishes to
make known its earnest opposi-
tion to any advance in freight
rates on Kentucky coal, and
hereby enters its solemn protest
against the increase now being
proposed.

Chronic Constipation

"About two years ago when I be-
gan using Chamberlain's Tablets I
had been suffering for some time
with stomach trouble and chronic
constipation. My condition im-
proved rapidly through the use of
these tablets. Since taking four or
five bottles of them my health has
been fine," writes Mrs. John New-
ton, Irving, N. Y. Obtainable every-
where.

DECREASE IN REVENUES OF L. & N. RAILROAD

Falling off of Over \$6,000,000 for Year
Shown in Report

Louisville, Ky., Oct. 6.—Operating
revenues of the Louisville & Nash-
ville Railroad Company decreased
\$6,800,451 during the fiscal year, ac-
cording to the report of President
Milton H. Smith of Louisville, sub-
mitted at the annual meeting of the
stockholders here today. Operating
revenues amounted to \$51,800,142, a
decrease of \$1,818,745. The road, the
report says, earned 6.75 percent on
its \$72,000,000 capitalization as com-
pared with 9.28 percent the previous
fiscal year.

The great shrinkage in operating
revenues, the report cites, was due
largely to the effect produced by the
European war upon the price and
consumption of the products and
manufacturers of the territory serv-
ed by the road, and also to the con-
sequent decrease in passenger travel.
With the exception of Michael
Jenkins, who was succeeded by
Geo. C. Jenkins of Baltimore, all
the old board of directors was re-
elected.

BIG CIRCUS

Coming This Way Soon

The Barnum and Bailey Greatest Show on Earth will exhibit at Madisonville on Saturday, Oct. 9, and this good news is being heralded everywhere by the many agents of this, the biggest and foremost amusement institution of the world. The Barnum and Bailey Circus has always been the largest that travels and this season the management has found it necessary to add many more cars to their trains in order to provide for the great equipment. It requires 85 double length railroad cars to transport the big show, 1280 people are employed, there are 700 horses, 40 elephants and a menagerie of 110 cages, 480 world famous artists take part in the greatest circus program this world has ever known.

A fitting introduction to the wonderful performance this year, is the presentation of the new, spectacular pageant, "Lalla Rookh," in which nearly 1000 characters take part.

In the circus proper, which is presented in three rings, four stages, the hippodrome and in the dome of the dome of the largest tent ever erected, 480 performers from every nation in the world take part and present a vast array of foreign features entirely new to America. A wonderful trained animal exhibition is given by the Marvellous War Elephants, Pallenberg's Wonder Bears, Madam Bradna's Angel Horses, Thaler's Dogs, Ponies and Monkeys, and the Barnum and Bailey Statue Horses.

Great interest is already being shown in this neighborhood and great crowds will no doubt go to Madisonville Saturday, Oct. 9, for the biggest and most enjoyable holiday of the year. Everyone is advised to get an early start in order to be there in time for the parade which starts promptly at 10 A. M., and which is said to eclipse anything of its kind ever before attempted in the history of circus business.

PRINCE ALBERT

the national joy smoke

is such good tobacco you feel like you could just eat the smoke!

Yes, sir, P. A. puts a razor edge on your smoke-appetite-division that's nobby enough to be photographed!

The toppy red bag, 5c

For you can put your little old blue-pencil O. K. right here that Prince Albert is a regular double-header for a single admission—as joy's to your tongue and taste one way as the other!

Will the "rollers" kindly step forward for a spell and get some of this listen into their systems? Because Prince Albert certain and sure jams more joy into a makin's paper than ever before was figured up on two hands!

In the plain language of the hills, you can't any more resist such makin's tobacco than a bullfrog can pass up a piece of red flannel! Because P. A. hands to you everything any cigarette roller ever dreamed-out—rare flavor, and aroma, and mildness, and body; absolutely the best bet—the best smoke

you or any other man ever did roll and put the fire to! Men, we tell you to wise up.

P. A. is crimp cut and stays put—which means rolling P. A. is as easy as falling off a log. And it's good to remember P. A. is put up in the toppy red bag especially for you "rollers." Sells for the price of a jitney ride, 5c.

Now, will the "pipers" kindly open both ears?

Here's tobacco that has made it possible for three men to smoke pipes where one smoked before!

Any way you hook it up, Prince Albert is tobacco insurance! Yes, sir, it guarantees your future as well as your present smokings! And just makes your tongue so jimmy pipe joy's that your smoke appetite grows whopping big. You men who "dassn't," we say you go to P. A., natural-like! Because there isn't a bite in a barrel of this national joy smoke.

Unlimber your old jimmy pipe! Dig it out of the dark corner, jam it brimful of P. A. And make fire with a match! Me-o-myl

You get acquainted with Prince Albert in the toppy red bag, 5c; or tidy red tin, 10c, but for the double-back-action-joy, you buy a crystal-glass pound humidor. And then you're set! You see, it has the sponge-moistener top and keeps P. A. at the highest top-notch point of perfection. Prince Albert is also sold in pound and half-pound tin humidors.

25 CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save your hair! Make it thick wavy and beautiful—try this

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life: eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandertine tonight—now—any time—will surely save your hair.

Get a 25c bottle of Knowlton's Dandertine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few week's use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

CHIEF DEPUTY JAILER AIDED

Pat Donahue, of Jefferson County, is Benefited by Tanlac

Louisville, Oct. 8.—Pat Donahue, Chief Deputy Jailer of this, Jefferson county, a man of unquestioned honesty and integrity, is among well known Louisville people who endorse Tanlac, the new medicine that is accomplishing such remarkable results in this city. Mr. Donahue's statement is as follows:

"It gives me great pleasure to recommend Tanlac, as I have found it quite beneficial in my case. I have used the medicine for a general run-down condition of the system."

The demand for Tanlac, the preparation referred to by Mr. Donahue, is now very great in Louisville, and is steadily increasing. In this connection, L. T. Cooper, who is personally directing the introduction of the famous medicine, said:

"I am, indeed, gratified to see such marked enthusiasm, as I now feel justified in my prediction that Tanlac would prove just as successful in Louisville as it has in the larger cities. The system, besides being purified by Tanlac, is toned up and invigorated, as the preparation, aside from assisting the blood, reinvigorates the constitution, overcoming, as it seems to quickly do, nervousness, indigestion, nonassimilation of food, headaches, backache, dizziness, kidney complaints, general rundown condition of the system, and many other complaints that are so common to thousands in this section."

"Tanlac is especially valuable in catarrhal affection of the mucous membranes, which I consider the foundation of most ailments and diseases. People who are affected with catarrh of the head, throat and stomach and generally moody and depressed, with an occasional dull headache, accumulations in the nose and throat, affected memory, and a depreciated sense of smell and taste, which finally results in an affected hearing."

Tanlac can now be bought in this city and St. Charles, Ky., at George King and Sons drug store, in Morton Gap, Ky., at Ben T. Robinson's drug store and in Nortonville, Ky., at the City drug store.
